### *Tasting Notes*

From our estate vineyards comes our first Cabernet Franc. Typically, the small amount of Cabernet Franc we produce ends up being blended into our Memento or Cabernet Sauvignon. In 2007, after our Memento and Cabernet blends were put together, we had a small surplus of the Franc. We loved the idea of doing a varietal bottling and worked with Kirk & Eric to put the blend together. The result is a 120 case bottling of our first Cabernet Franc. This is a wine full of richness and finesse. The wine begins with intoxicating, slightly sweet aromas of raspberries, blackberries, and a hint of vanilla. Ripe blue and black berries on the rich palate add to the deep fruit character, decadent texture, and the long finish of the wine. Given the tannin, fruit, concentration, and overall balance we feel very confident in saying this wine will drink well from mid 2010- 2020.
