Tasting Notes

Memento is our flagship wine. Every year this wine is something special, unique to our portfolio. It represents the very best of our vineyard terroir and the 2008 is the best we have released. The wine is completely based on an extraordinarily low yielding block of Cabernet Clone 337. The impeccable growing conditions in 2008 have dialed this wine up a few notches. While the wine was aged for 27 months in 100% new French Oak, the ripe, low yielding fruit resulted in a wine of impeccable Cabernet Sauvignon character. This wine has got it going on. Phenomenal fruit, fine grained tannins, great balance. It could easily age for a decade plus in the cellar. For near term drinking we highly recommend a few hours in the decanter.
