Cellar Potential: 10-15 years

Tasting Notes

Dark garnet in color. The 2009 Frazier Cabernet Sauvignon has a complex nose of dark cherries, black currant, and spice. This wine has a supple mouthful which is both rich and bold. A bit of toasty vanilla bean mingles with blackberry and red currant on the palate. Long, lingering finish. We expect this wine to drink well in the short term and to develop complexity in the bottle for years to come.
