150 cases x 750ml

French Oak

Tasting Notes

Our Cab Franc is a rich wine with seductive aromas of bright red fruit and a hint of graphite and rosewood. We are simply addicted to the nose of the wine. It just keeps opening up and revealing more and more as the bottle is open. There is so much going on with this wine that the showing on the second day is even better than the first!

The wine is medium bodied and maroon in color with hints of red fruits and berries and a bit of chocolate on the palate. There is a rich mouth feel which seems to linger on the mid palate for some time before giving way to a lengthy finish. The big fruit and lack of tannin in this Cab Franc make it just perfect for early drinking. If you are patient and can hide a bottle in your cellar for a few years the wine will evolve and take on great nuance. If you are like us it will be tough to resist temptation and will be great this summer paired with a steak off the grill.
