## *Tasting Notes*

Aromas of black cherry, rose petals and white tea invite you in for a taste of this lush wine. With only 85 cases produced from 2.5 acres of hillside vines you can imagine the intensity and depth of this vastly under-appreciated varietal. This wine coats your mouth and explodes on the palate. Juicy, ripe, and perfectly balanced with tons of red and black fruit and lovely purity. It is unapologetically appealing and will only continue to develop with time. If I do say so myself, this is probably one of our best Merlots produced to date.
